

.Players Club Competitions explained

Nassau.

The payoff will be for the best front nine score(s) gross and net, the best back nine scores and the best 18 hole scores.

Throw out two holes.

Individual gross and net competition. After the 18 holes each player will reduce their gross score by the two highest single hole scores. That will constitute that player's gross score and then the handicap is deducted for net.

Example: Joe shoots 84 with one 7 and three 6's. He will throw out the 7 and one of the sixes making his gross score 71. Now we reduce that gross score by 9 for his handicap giving him a net 62.

His, Mine and Ours.

Two man team, gross & net competition. Count the best combination of one player's front nine and his partner's back nine. One half of each partner's handicap is used for net.

Four man Best Ball 1 on 3's, 2 on 4's and 3 on 5's.

In this best ball format, each team of four will be counting just the **one** best ball on the par threes, **two** best on the par fours, and **three** best balls on the par fives.

Net Rotation.

Four player team. Starting on the first hole, the team will count the **one** best ball. On the second hole, they count **two** best balls. On the third, they count **three** best balls. At that point, the team goes back to counting one again and so on.

Odd and Even (Individual)

This game is like a Nassau but instead of front, back and total, the payoff is odd, even and total.

Example: Bill plays the odd holes in 40 strokes and the even holes in 44 strokes, his scores will be: 40-44-84 gross and with a ten handicap, 35-39-74 net. Payoff will be for each of the three scores, gross and each of the three scores net.

Flag Tournament

Each player is issued a flag. That player's handicap is added to par and when the player gets to that number, he sticks his flag in the ground. The flags that get the furthest win the prizes. (This is all net). It is possible to play more than 18 holes in this competition.

Sweeps

This is an individual gross and net competition.

Sweeps at Stableford

This is individual stableford.
